SUMMARY

Account manager and negotiator with 15+ years in B2B sales and account management, at my best growing an existing book across every layer of a customer. At Birdeye, ran a two-step channel motion: signed 15-20 reseller partners, then drove adoption down to their end customers, retaining all but one (~94%). Ranked top three in sales at Accelo while quota roughly doubled, negotiating terms with C-suite buyers. Spent 15+ years in restaurant kitchens before tech, and co-owned a Denver business with vendor and supplier relationships built from scratch, so the café operator's view of a delivery and a price sheet is familiar ground. Denver based, HubSpot fluent, and used to remote, high-autonomy work.
