SUMMARY

Implementation manager who turns documented requirements into working platform configuration and runs the project to go-live. Configures CRM and automation platforms from client requirements, prepares and validates data imports, tests workflows before launch, and trains the people who will use them. Managed up to ~25 concurrent onboardings and 25+ launches a month at Wix at 110% of implementation targets, and built sequenced implementation plans for a CRM/PSA platform at Accelo, including walking clients through its invoicing and billing workflows. Uses AI and automation daily in delivery work, including rubric-based QA of AI output.

PROFESSIONAL EXPERIENCE

Implementation Lead — Founder & Strategic / Marketing Operations Lead | Solenzo LLC

Feb 2024 - Present | Arvada, CO (Remote)

- Lead end-to-end implementations for client businesses: requirements, configuration, data setup, testing, training, and handoff, owning timelines and client actions throughout.
- Translate documented business requirements into GoHighLevel and HubSpot configuration: pipelines, lifecycle stages, templates, and 20+ automated workflows.
- Prepare, map, import, and validate customer datasets into Salesforce, HubSpot, and GoHighLevel, re-checking every import and troubleshooting data issues to root cause.
- Validate configured workflows end to end before go-live, and build integrations with webhooks, REST APIs, and JSON in Zapier, Make, and n8n.
- Use AI daily on delivery work, from LLM API calls inside workflows to rubric-based QA of AI-generated output.
- Document configuration decisions and changes in Notion so support and future changes start from an accurate record.

Account Executive / Client Strategist | Level Agency

Sep 2024 - Feb 2025 | Remote

- Resolved client feedback promptly and held delivery quality consistent across implementations to protect satisfaction and retention.

Channel Partnerships & Customer Onboarding | Birdeye

Feb 2023 - Apr 2024 | Remote

- Onboarded 15-20 reseller partners and ensured each partner's end customers were configured on Birdeye's listings-syndication solution, retaining all but one partner (~94%).
- Analyzed partner utilization metrics to spot adoption gaps early and recommend interventions that reduced churn.
- Built automated product-training sequences and communication workflows that helped partners roll the product out to their own customers.
- Shared structured onboarding feedback with Product and Engineering; tracked all activity in Salesforce.

Account Executive / Sales Operations | Fetch & Funnel

Sep 2022 - Feb 2023 | Remote

- Built internal processes that improved reporting accuracy and reduced handoff errors between sales and delivery; managed workflows in ClickUp.

Account Manager, Onboarding Launch Specialist & Team Lead | Wix.com

Aug 2020 - Aug 2022 | Remote

- Managed up to ~25 concurrent onboardings and launched 25+ clients per month, holding 110% of implementation targets and 120% of sales targets.
- Built and launched e-commerce sites for established retail businesses adding online storefronts, including third-party shipping integrations.
- Ran onboarding calls as primary customer contact, launching simple builds on the first call and scoping multi-session production plans for complex ones.

- Led and trained onboarding teams of up to 30 through weekly sessions and 1:1 coaching, and defined the Salesforce fields used across onboarding workflows.

Account Executive | Accelo

Apr 2018 - Jul 2020 | Denver, CO

- Built sequenced implementation plans for incoming clients, ranking which systems to change and in what order, and handed them to the implementation team to execute.
- Walked professional-services clients through Accelo's invoicing and billing features, showing how time, projects, and billing connect in one system.
- Guided onboarding, workflow design, and API integrations alongside implementation teams, escalating account risk early; ranked top three of 8 to 15 reps while quota roughly doubled.
