SUMMARY

Full-stack web developer with hands-on, AI-assisted development experience building and shipping Next.js, React, and TypeScript applications end-to-end: REST API integrations, relational database schema design, and a real Git/PR-based workflow. Comes from a 15-year client-facing delivery background, translating business requirements into technical specs and explaining tradeoffs to non-technical stakeholders.

PROFESSIONAL EXPERIENCE

Founder & Strategic / Marketing Operations Lead | Solenzo LLC

Feb 2024 - Present

Arvada, CO (Remote)

- Build and ship full-stack web applications personally using Next.js, React, and TypeScript, deployed on Vercel, including a production site with 70+ merged pull requests.
- Build REST API integrations end-to-end - routes, authentication, error handling - connecting applications to third-party services including Stripe, transactional email, and LLM APIs.
- Design relational database schemas and migrations (Prisma/SQLite) for a lead-management application, including a service-layer architecture and CSV data validation.
- Work in a real Git/PR-based workflow - branches, pull requests, merges - across 20+ personal repositories.
- Translate non-technical stakeholders' generalized ideas and feedback into precise, structured technical requirements.
- Own post-sale value delivery for B2B clients, architecting onboarding and technical setup that drives product adoption at scale.

Channel Partnerships & Customer Onboarding | Birdeye

Feb 2023 - Apr 2024

Remote

- Guided customers through complex technical setup and configuration of reputation and marketing automation tools.
- Collaborated with Product and Engineering to share structured, high-priority customer feedback informing the roadmap.

Account Manager, Onboarding Launch Specialist & Team Lead | Wix.com

Aug 2020 - Aug 2022

Remote

- Led digital growth consultations aligning site architecture, inbound marketing, and SEO best practices to improve client traffic and conversion.
- Onboarded and launched 25+ clients per month, holding 120% of sales targets and 110% of implementation targets.

Account Executive | Accelo

Apr 2018 - Jul 2020

Denver, CO

- Guided client onboarding, workflow design, and API integrations, building relationships with C-Suite executives as a trusted advisor on operational system design.
- Sold and scoped complex CRM and project-management software to agencies and professional-services firms, with deep fluency in sales enablement, contact management, and pipeline automation.
- Advised clients on CRM adoption, building scalable operational systems aligned to their growth stage and team structure.
